HOW THE FIGHT STARTED!!!

I crashed into the back of a car this morning... So there we are alongside the road and slowly the driver gets out of the car . . . and you know how you just-get-so-stressed and life-stuff seems to get funny?

Yeah, well, I couldn't believe it . . . he was a DWARF!

He storms over to my car, looks up at me and says, "I'M NOT HAPPY!"

So, I look down at him and say, "Well, which one are you then?". . and that's when the fight started .
